

Highlands Natural Pool Grounds Rules

(Please read both pages)

For the Pool and Adjacent New Weis Center Property:

The entire Highlands Natural Pool and New Weis Center grounds close when the Pool closes. All members and visitors are required to leave the grounds when the Pool closes, or whenever directed to leave by Pool personnel. Both the Pool and the New Weis Center reserve the right to close their respective grounds at any time without prior notice.

Alcohol or drug use is not permitted at any time; anyone in possession or under the influence will have to immediately leave the property. Likewise, foul language, rough or aggressive behavior, or boisterous behavior, will not be tolerated. Throwing rocks is not allowed.

Smoking is not permitted on the Pool or New Weis Center grounds.

Pets are only allowed in the picnic grove and must be calm, quiet, and on leash at all times. Pet waste must be cleaned up immediately. No dogs are allowed on the New Weis Center property, the path that goes around the Pool, or in the stream around or above Pool.

No amplified music or speech is allowed. Guests must use headphones or ear buds when listening to music, radio broadcasts, podcasts, etc.

The restrooms of the adjacent New Weis Center are not open to the public. Pool Members and their guests, and visitors, will have access only to the Pool's restroom facilities.

Note that the Weis recreation field is the only area of the New Weis Center property that is open to the public, and it is governed by New Weis Center Grounds Rules. Parking is limited to the Pool parking lot. Any requests for an exception must be made prior to arrival. Neither the Highlands Pool nor The New Weis Center are responsible for any damage to vehicles, theft of personal property, etc.

The Pool is not responsible for lost or damaged personal property or injuries sustained by Members, guests or visitors.

Pool Management reserves the right to revise any rules in force and to institute new rules deemed necessary for the safety, comfort and enjoyment of its Membership, guests and visitors or as required by law.

Inside the Gated Pool Area:

No swimming is allowed without a Lifeguard on duty. Access to the Pool and swimming is limited to the days and hours of operation. Children in the shallow section of the Pool must be under the supervision of a responsible adult at all times.

Highlands Natural Pool Grounds Rules

Posted New Jersey health and water safety rules, including the prohibition against spitting, must be followed. Infants and toddlers in diapers must wear waterproof “swim diapers.”

No food or glass bottles or containers are permitted past the wooden fence.

Anyone under age 18 wishing to swim in the deep water section of the Pool must pass the deep water swimming test. At the discretion of the Lifeguards, any adult may be required to take the deep water swimming test.

Cell phones must be turned off or set to vibrate mode; phone conversations must be taken outside of the Pool area.

Pool management reserves the right to designate any section of the Pool for scheduled water activities, such as swimming lessons, life-guard training, group visits, or to close the Pool during inclement weather or under other special circumstances.

Pool Picnic Grove:

Vehicles may not be driven to the Picnic Grove to unload. Any requests for an exception must be made prior to arrival.

Please do not move picnic tables.

Grills are for charcoal only, not wood. No portable charcoal grills are allowed. No grills are allowed on the Weis field. Do not use starter fluid or self-starting briquettes. See Pool Office for safer products. Prevent a forest fire - do not dump coals on the ground; leave coals in the grill when you are done; pour water (no other liquid!) on your coals before you leave.

Pick up cigarette butts & all other litter; collect recyclable items separately. Garbage bags and recycling bags (clear) are available at the Pool Office. Place bags by your table when you leave – we’ll take it from there.

Be aware and ready for closing time - the Picnic Grove closes when the Pool closes, or when directed by Pool personnel.

Owned and Operated by the Community Association of the Highlands, Inc.
